Kate,

Hello. This came along while Wayne (he is actually still on leave) and I were both on leave. Unfortunately, any final comments are due by the end of today. If you have any, please forward to Mark directly so he gets them right away.

Thanks,
 Melisa

All,

I have merged into one document, the comments I have received from ORD, OW (OWM & OGWDW), and R6.

OGC, OECA, R3 have no comments/no comments beyond those made at the exit conference.

I would appreciate if you could review the comments and determine if there are any conflicting comments that need to be resolved prior to be sent to GAO.

I would like to have this follow up check complete by COB Thursday, May 31st so I can forward our consolidated comments first thing on Friday morning.

Thanks,
 Mark

PS I'm out of the office tomorrow until 1:30 PM ET.
